

STUDENT COMPLAINTS POLICY and PROCEDURE

1. PURPOSE AND SCOPE

This document contains Student Complaints Procedures.

The scope of the procedures is restricted to complaints in respect of the students' experience at the School, including services and facilities provided by Schools or any support services such as residential accommodation.

2. PRINCIPLES

- 2.1 Students may ask for information, advice and help in making a complaint from anyone they wish. At any stage, the student has a right to be accompanied/represented by another person who may speak on the student's behalf if s/he requires it
- 2.2 Malvern House welcomes comments and suggestions from students as to how the School might enhance its effectiveness and/or improve its service. Students are encouraged to give suggestions through the student representative in their class.
- 2.3 The School recognises that from time to time students may have complaints about School facilities or services they receive from its staff.
- 2.4 These procedures aim to provide a simple and comprehensible means by which students may raise comments, suggestions and complaints with appropriate staff.
- 2.5 The School will ensure that the service and care provided to any student making a comment, suggestion or complaint will not suffer in any way as a result of the action taken, but the School expects that students will not engage in frivolous or vexatious complaints.
- 2.6 The School will maintain the confidentiality of comments, suggestions and complaints as far as possible. However, the service provider should normally be informed that a complaint has been made and that it is being investigated.
- 2.7 The above paragraph does not in any way prejudice existing procedures for dealing with staff disciplinary matters.

3. Complaints Procedure

3.1 Informal Stage (refer to 2.1 above):

It is hoped that many problems will normally be dealt with informally, in a spirit of conciliation without the need for recourse to a formal procedure. As a first step, a student who is unhappy with the service he/she has received, should try to resolve the matter with his/her tutor or with the Director of Study or with the School Principal. In many cases, that person can best respond to the complaint. However, if the response to the informal complaint is unsatisfactory the student has the right to use the formal complaints procedure set out below. A student should only use this formal complaints procedure if he/she considers

that the complaint is too serious to be dealt with informally or is dissatisfied with the results of informal discussions.

3.2 School Stage

If the student wishes to make a formal complaint under these procedures, they must raise the complaint with the School Principal within one month of the event concerned.

Written complaints involving the School Principal should be sent to the Principal directly via email or completed on the Malvern House complaints form available via the Student Services team who are based on the Malvern House reception desk.

The Principal will normally respond in person to the student's letter within five working days. If the Principal thinks that the complaint needs further investigation they will explain to the student (or their agent) how the complaint will be processed. The complaint will be investigated fully (normally this will also involve an invitation for the student to discuss the complaint in person) and the student will normally receive a written response within ten working days.

If the student is satisfied with the response received, and does not wish to take the complaint further, the information gained from the complaint will be used to improve the service provided by the School.

3.3 Appeals

If the complaint is not resolved within ten working days or is unsatisfactory to the student, the student should refer the complaint to the School Directors via Student Services Team.

The School Directors will investigate the complaint (normally this will involve an invitation for the student to discuss the complaint in person with themselves or a person they have nominated) and the student will normally receive a written response within ten working days.

If the student is satisfied with the response received, and does not wish to take the complaint further, the information gained from the complaint will be used to improve the service provided by the School.

If the student is not satisfied with the response the Directors will convene a meeting of a Complaints Committee. Prior to the meeting the aggrieved student will be informed of the right to be represented at the hearing.

3.3.1 Composition of the Complaints Committee

No member of the Complaints Committee shall have had any previous connection with the case. The Complaints Committee will be comprised of:

The complainant
